

VA Elbow

Plating System

About us

Fractures can often be unexpected and difficult to avoid. When faced with a fracture, seeking the appropriate treatment is crucial for proper healing and Recovery..

As an Orthopedic implant manufacturer, our company plays a vital role in the medical industry by designing, manufacturing, and distributing orthopedic implants used in the treatment of various musculoskeletal conditions and injuries. These implants are crucial in restoring mobility, improving quality of life, and aiding in the recovery of patients.

Who We ARE?

We are an orthopedic implant manufacturer and have been supplying Implants to doctors and hospitals in the North India region.

As an orthopedic implant manufacturer, our role is crucial in providing Healthcare professionals with the necessary tools to perform Orthopedic surgeries and improve the lives of patients.

By supplying orthopedic implants, we contribute to restoring mobility, relieving pain, and enhancing the overall quality of life for patients who require orthopedic procedures.

Our products are used in various orthopedic surgeries, such as trauma repairs, helping patients regain their mobility and functionality.

2.7/3.5mm Fractech VA Locking Posterolateral Distal Humerus Plates with Lateral Support

Holes	Left	Right
